INTRODUCTION FOR THE TEACHER.

“Tell me and I forget. Teach me and I remember. Involve me and I learn. Benjamin Franklin”

Starting with this sentence, we try to make learning English funny and easy. For that reason we are giving you a wide range of suggestions about the play you are about to see. Due to the wide age group of the students the play in intended for, each teacher should choose among the activities we suggest those that fits better to the skills of their students.

In the pack, teacher will find a CD, with all the audio materials included, and a complete dossier of the student activities printed on separate sheets that can be easily photocopied.
OUR STORY:
Once upon a time... there was a little duckling who was different from the rest. He was big and clumsy, and nobody knew why.
Join the “ugly” duckling in his wonderful adventure to find out who is him really and help him to realize that being different is a very good thing!
